

ACCREDITATION VISIT

On Wednesday and Thursday, November 2 and 3 St. John Lutheran School will have its visit from an Accreditation Visiting Team. This team will be composed of the superintendent of Lutheran Schools in Michigan, two Lutheran School Teachers and Non-Lutheran teacher. During this visit, the team will observe various functions here at the school. They will in turn make suggestions for improvements and hopefully suggest us for accreditation. This accreditation would be based upon St. John providing a quality Christian Education using the information that they observe and through the self-study that many volunteered to help with. Please pray for the school, the teachers, staff and students during these two days as we, await their recommendation.

REDUCED COST OF THE INTERNET

Families that qualify for free lunches can receive internet services from Comcast for \$9.95/month. Information can be found at this link:: <http://www.internetessentials.com/index.html>.

SOCCER RESULTS

Congratulations to the TALL Soccer Tournament Champs! The Tigers swept the competition last Friday at Berne. They defeated both Zion and Pigeon. GO TIGERS!
